KBVTI LTD.

Skill Development & Service Provider Agency

AN ISO 9001:2008 CERTIFIED ORGANISATION

KAMPA BHAI VOCATIONAL TRAINING INSTITUTE LIMITED.

PMKVY
प्रधानमंत्री कौशल विकास योजना

PMKVY 2.0

AS PER
PMKVY 2.0 GUIDELINES (2016-2020)

Pradhan Mantri Kaushal Vikas Yojana (PMKVY)

PMKVY is the flagship outcome-based skill training scheme of the Ministry of Skill Development & Entrepreneurship (MSDE). This skill certification and reward scheme aims to enable and mobilize a large number of Indian youth to take up skill training and become employable and earn their livelihood. Under the scheme, monetary reward would be provided to trainees who are successfully trained, assessed and certified in skill courses run by affiliated training providers. This will boost the productivity of the country's workforce by enabling them to acquire high quality skill training across a range of sectors. It will also bring about a paradigm shift from input-based to outcome-based skill training in the country. It also seeks to significantly scale up skill training activities in the country and enable skill training to happen at a fast pace without compromising quality. Institutional arrangements comprising of the National Skill Development Corporation (NSDC), Sector Skill Councils (SSCs), Assessing agencies and Training Partners are already in place for implementation of the scheme.

Assessment and Certification

Third party assessments for skill training will be done based on national (and often) global standards. Under PMKVY, trainees with prior experience or skills and competencies will be assessed and they will also be given monetary rewards for undergoing assessments. This will be an important step towards recognizing the skills possessed by workers working in the informal sector and their inclusion. This will also facilitate the process of skill up gradation and re-skilling of the existing workforce. The focus of RPL would be on those job-roles/sectors in which it is most desired.

Eligible Beneficiaries

In line with the objectives stated above, this Scheme is applicable to any candidate of Indian nationality who:

- a) undergoes skill development training in an eligible sector by an eligible training provider;
- b) is certified during the span of one year from the date of launch of the scheme by approved assessment agencies;
- c) is availing of this monetary award for the first and only time during the operation of this Scheme.

PMKVY 2.0

Owing to the successful first year of implementation of PMKVY, the Union Cabinet has approved the Scheme for another four years (2016-2020) to impart skilling to 10 million youth of the country. This booklet contains excerpt of the various Guidelines under the Scheme as approved by PMKVY Steering Committee that participating agencies need to abide by.
